Our experience as exhibitors has been very positive, with a high volume of visitors to our booth. The enthusiasm and positive energy among beauty professionals and enthusiasts were palpable. Cosmobeauté Indonesia has been instrumental in helping us connect with beauty enthusiasts, guiding them towards suitable contract manufacturing options and products, also providing insights on selecting the right manufacturing partners for collaboration.

Cheong Min- Kyoung | President Director of PT Cosmax Indonesia

Cosmobeauté Indonesia is the largest B2B beauty exhibition in Indonesia, and as a cosmetics manufacturer, we are very pleased to participate in this continually growing exhibition. We attended Cosmobeauté Indonesia to gain deeper insights into Indonesian cosmetic trends, along with the packaging, manufacturing, and equipment sectors within this market. The venue for this exhibition is impressive and well-suited to the large number of exhibitors across a broader range of sectors than anticipated. The experience has been highly rewarding, with an abundance of suppliers and products that meet our specific needs. I am delighted to be part of Cosmobeauté Indonesia and confident that the exhibition will continue to attract more professional attendees and trade buyers, especially as the beauty industry in the South Asian market expands.

SPEAKER'S TESTIMONY

**Dr. Mohammad Asyhadi,
S.Kes., S.E., M.Pd**

*Chairman of
Indonesia Spa Therapist Association*

Cosmobeauté Indonesia is the largest beauty exhibition, serving as a platform for sharing knowledge, skills, and experiences while providing education for the community, particularly those interested in wellness, health, spa, and beauty. We have been a part of Cosmobeauté Indonesia for over 10 years, and from Cosmobeauté Indonesia, I consistently gain valuable updates on beauty equipment and products, attend highly educational seminars, and acquire insights into regulations related to the beauty and wellness industry. This exhibition allows us to build significant connections both locally and internationally, as attendees come from various countries.

Dra. Yurita Amarya, MKM
*Chair of the Cosmetic Standard
Development Team, Directorate of
Standardization of Traditional
Medicines, Health Supplements,
and Cosmetics of National
Agency of Drug and Food
Control (BPOM)*

We are committed to educating business practitioners and the public about the regulations governed by BPOM that impact both businesses and consumers. We have conducted several seminars at Cosmobeauté Indonesia and have observed the intense competition within the beauty industry. It is gratifying to witness the growth of the cosmetic sector, particularly in Indonesia, which now offers consumers a diverse range of choices rather than being limited to a single brand. Ultimately, success depends on how businesses can enhance their quality and production capabilities. I hope that future seminars at Cosmobeauté Indonesia continue to evolve by exploring increasingly engaging topics.

**dr. Johannes Albert Biben,
Sp.BP-RE**

*Plastic Reconstructive & Aesthetic
Surgeon of St. Joseph Hospital
Bandung, Hayandra Clinic Jakarta,
Iona Clinic Bandung*

I found this exhibition particularly impressive, especially considering Cosmobeauté Indonesia's 17-year journey. Witnessing the participants' strong interest in learning was inspiring and motivated me to share my experiences even more. My impression of Cosmobeauté Indonesia 2024 reflects significant enthusiasm among attendees for beauty trends and the aesthetics industry in Indonesia, as demonstrated by the large crowds at each booth.

Dr. Friska Natasya, dipl.AAAM | Head Doctor of Be Able Aesthetic Clinic

This year, I returned to Cosmobeauté Indonesia, an exhibition that I attend annually to seek out new products with high-quality for the clinic, aiming to provide better quality options and improved results for our patients. I also had the opportunity to join the CosmoAesthetic Conference, which offered valuable insights that I can apply to patient care. My experience at Cosmobeauté Indonesia 2024 was highly engaging, with numerous facilities available for all attendees, including skin, hair, and dental check-ups, as well as complimentary massages. Cosmobeauté Indonesia truly stood out compared to previous years, and I look forward to seeing even more improvements next year. For those who couldn't attend this year, I highly encourage you to join Cosmobeauté Indonesia next year.
